The Bellaire New Home Showcase

Many events have been canceled or postponed due to coronavirus concerns. Please check with the organization before going to any event.

For the 28th year, The Bellaire New Home Showcase is bringing together the finest of Bellaire's custom home builders to highlight design possibilities that fit and surpass the needs of today's buyer in one of Houston's most sought-after neighborhoods.

Tours will spotlight five homes which offer superlative combinations of seamless functionality and design while complementing the charm and beauty of this preferred neighborhood. Partnering again with Evelyn's Park Conservancy as beneficiary of all ticket proceeds is a perfect match.
